Nova Mynte

The product information is applicable to the product in the recommended solution for use. If information about the concentrated product is required, please see the MSDS.

PRODUCT TYPE Udder care product

APPLICATION Novamynte is used for inflamed mammary glands, hoof abscesses, hock swellings, sore muscles and joints, tendon sheaths and other places where the organism needs increased blood circulation.

PROPERTIES Novamynte has a warming effect and will in combination with massage increase the blood circulation. Novamynte is a supplement to veterinary treatment and provides a faster, natural healing of strained muscles and joints.

STORAGE Keep in original container. Keep separate from food, feedstuffs, fertilisers and other sensitive material. Store above freezing.

Storage: 0 - 35 °C. ^{0}C

Durability: 24 months.

SAFETY Please see the enclosed safety data sheet for information about handling and disposal.
For professional users only.

INSTRUCTIONS AND DOSAGE

Approximately 15 g of Novamynte is massaged carefully into the strained area for 3 – 5 minutes. Repeat the treatment 3 times a day for 3 - 4 days. Avoid contact with eyes and mucous membrane - store at roomtemperature.

PRODUCTDATA

Colour	Green.
Physical state	Creamy liquid.
Odour	Characteristic.
